INTRODUCTION

ABOUT US

ABOUT US

Being one of the reputed **PCD Pharma Companies in the country**, we have a team of qualified and skilled professionals to offer high quality PCD pharma products including new **DCGI molecules**. Our PCD pharma products are formulated using premium quality materials sourced from reliable and trusted manufacturers with **WHO/ISO and GMP** certified units. To formulate our range, we use hygienic ingredients that we have sourced from the authentic and reliable vendors of the market who hold rich expertise in this domain. We also offer **Exclusive Monopoly Rights!** We spread their business at the unrepresented areas through appointment of new **Franchise / Distributors / Sole Distributors / PCD Franchise/ Monopoly**.

We have implemented systematized logistic operation, storage and quality control methods as per the **best PCD Pharma Industry Standards**. Our experienced team of quality controllers is responsible to strictly monitor our processes at every stage. As a result, we cater to the demands of a list of quality clientele base across the country making us one of the **top PCD Pharma Companies in India**.

.....
We have a complete range of Antibiotic, Analgesic, Gastro & PPI, Anti Histaminic and Cough & Cold, Paediatric, Gynae, Ayurvedic, Dry & Liquid Injections, Dental, Eye & ENT, Ayurvedic etc. Moreover, our all Liquid Products and Protein Powders are 100% sugar free.

ASSURED
QUALITY
ASSURED

QUALITY ASSURANCE

We always provide highest quality medicine for all and maintain a leading position in the market. We rely on the highest quality standards in achieving all of our goals. Lavish Biotech has immensely promoted the culture of **WHO – GMP**. Our **Quality Assurance Department** monitors all stages of production, analysis, and warehousing. They managed by qualified personnel, constantly examines quality considerations – performing systematic sampling and testing at every stage from raw materials, through each procedure of intermediate and finished **Pharmaceutical Formulations**.

OUR VISION

To achieve recognition as a top most PCD Pharma Company with superior quality herbal and pharmaceutical products and to have mutually rewarding long-term relationships with suppliers, pharmaceutical & healthcare community and our field associates across all our markets in the country.

OUR WORK ETHIC AND OUR VALUES

Our values are what bind us to the roots we emerged from. At Lavish Biotech, these values are what drives us to do better, every single day. Our core values are reflected in every aspect of our business, from the formulation of an idea to the bottling of a cure. We at Lavish Biotech, a well-known name in Pharma Franchise business, strive to ensure that all our products surpass the expectations of our esteemed customers in terms of Quality, Packing & Delivery. Customer Satisfaction is very vital for any successful business, so Customers are the focus of everything we do. **Integrity:** is the core essence of our values, we believe in being honest, fair, and transparent, in every process and operation. We believe that trust, mutual respect, and ethical behaviour is essential to our relationships with our Business Associates, our

Customers as well as the Pharmaceutical & Healthcare community. We follow the highest ethical standards while conducting our business and ensure that our conduct is consistent with the letter and spirit of our Corporate Vision, Our Mission, Our Values as well as the laws of the lands we operate in.

Excellence: we dedicate ourselves to nurture excellence through passion, leadership, education, empowerment, responsibility, and accountability.

Lavish Biotech gives great stress on all inputs and feedback from the market and continuously works to meet the ever-evolving needs of our customers.

Innovation: we create an environment that fosters creativity and openness to new ideas, which leads to an advancement in products, processes, and customer services.

OUR MISSION

- To introduce the widest range of formulations meeting highest standards of quality.
- Develop deep markets in the country with a long-term approach, maintaining the highest ethical standards at each step.
- To provide safe, high quality patient care in an atmosphere of professionalism, respect, and effective communication.
- To provide latest molecules on time to time.
- To provide best and attractive promotional inputs.
- To achieve customer satisfaction is our first priority.
